THE MCGREGOR BROS. CO. SPRINGFIELD OHIO
this book has been our annual messenger to the
flower lovers of this and other lands! During all
this time the keywords of this great enterprise
have been integrity and service. Our policy, long
ago established, is to give the flower lovers of
America a complete assortment of the finest stock
that can be grown, together with the best possible
service, and supplied at manufacturers' and grow¬
ers' prices. Today, as in all these past years, the
supreme aim of the McGregor organization is un¬
questioned satisfaction towards every customer.
It is with a natural pride, therefore, that we
present to you our new Year Book, which we be¬
lieve is a catalogue prepared to introduce the gar¬
den spirit at the lowest cost. It is in brief a flori¬
cultural department store at your door, offering
"Something for Every Garden—Everything for
Some Gardens," and the sole opportunity of plant
buyers to secure many things that make for im¬
portant additions or complete gardens.
Sixty-two Years of McGregor Service find their
culmination in this 1935 Year Book. Extraordi¬
nary values fill its pages. Goods are of highest
McGregor quality. Prices are unprecedentedly
low. Every offering helps to express the watch¬
word of the flower lovers of 1935—"A Beautiful
Garden at Minimum Expense."
Cordially yours,
The McGregor Brothers Company

Hints on Cactus Culture

Cactus soil should be kept on the dry side. Sprinkle once a week; water heavily once a month in winter; twice a month in summer. Never water in damp weather. Should a rot spot appear cut out with a knife and dust with lime. Soil: Sandy loam, 3 parts, coarse sand and small amount of lime. Most varieties like dry air and plenty of sunlight, especially in winter.

California Redwood Burl 79c

An interesting and exceedingly beautiful novelty from California’s Redwood Forest. Burls are dormant. Sends out feathery light green shoots resembling Ferns. Growth will start when placed in a shallow bowl of water. Never let burl dry out and do not put directly in hot sun. 79c ea., 3 for $2.29.

Japanese Camellia $1.50

(Japonica)—Leaves glossy green, flowers of exquisite beauty and waxy texture, from pure white to crimson. Requires shade and moisture throughout the hot season. Needs a moderate, uniform temperature. When set with flower buds care must be taken in watering. When left too dry the buds will drop. $1.50 ea., 3 for $4.25. By express only.

Hardy Ferns for Shady Places

These graceful and universally popular plants are of easy culture and afford a wide range of possibilities. A shady nook, where the soil is moist and the drainage good, will prove an ideal location, especially if a liberal amount of leaf mold or woods earth is available; and better still if rocks and stumps may unite in breaking the monotony of the ground’s surface. Ferns require little attention and amply repay in genuine pleasure. Strong root clumps of mixed varieties from such varieties as Christmas fern, Maiden Hair fern, Ostrich Plum, Sensitive, Cinnamon, and Crested Sword fern, etc. 26c, 2 for 49c, 3 for 60c, 6 for $1.28, 12 for $2.47.

Please Include Postage and Packing Charges for All Mail and Parcel Post Shipments.

Postage Table Below.

READ CAREFULLY—POSTAGE TABLE—It is always much better to have plants shipped by express. However, if more convenient to receive plants by parcel post, then please add a sufficient amount to cover postage and insurance according to table below. The amounts of postage shown below are to be added for each dollar or a part of a dollar’s worth of goods ordered. If you live in Illinois add 8c for postage and insurance for each dollar’s worth ordered; if you live in Alabama add 9c; if in Nebraska add 10c for every dollar’s worth ordered. It is always advisable to have the larger sizes shipped by express if possible. Seeds in packets posted free. Remember that our premium offer more than offsets postage and delivery charges.
